### **Roof Replacement Fund**

The roof tiles on the north side of our church need renewing, so we are undertaking a slate purchase scheme as part of our roof fund/project. Slates can be purchased individually or in clusters/batches.

The slate purchase scheme is not only to open to our own church congregations, but will also be rolled out to our parish and community in Newbottle as a whole.

More information is available on the noticeboard in the entrance lobby and at the back of church, but if you are interested in purchasing slates or helping us with this very important project and making our church weather tight for years to come and for future generations, please see Mike or Tom.
